

Every family who comes to For Goodness Sake goes home with a Welcome Home Basket and a Kitchen Essentials Bag filled with some basics to start them out in their new home.

You can help by donating new items to help us fill the baskets and bags, or by organizing a fun community service project to provide multiple baskets and bags.

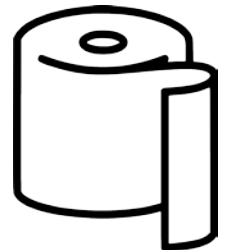

Or make a \$20 - \$40 donation to allow us to buy items for a Welcome Home Basket or Kitchen Essentials Bag for a client.

**Thank You!**
